# Empathy Driven Development

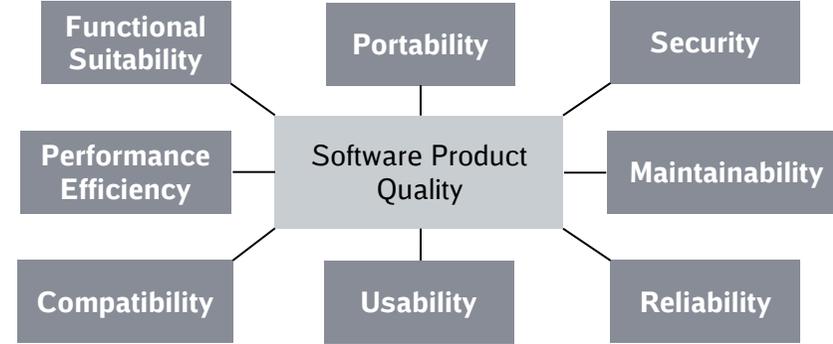

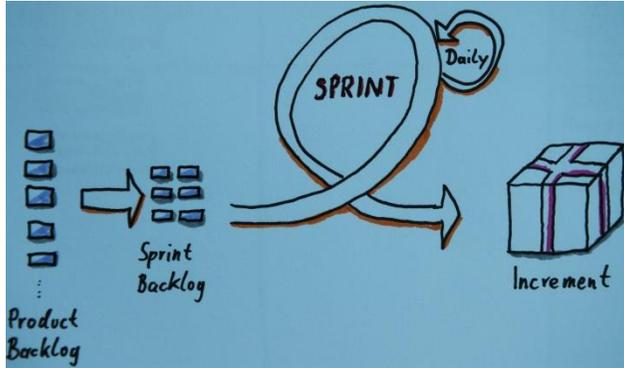

# Empathy Driven Development

"being able to show and employ one's self without fear of negative consequences of self-image, status or career" (Kahn 1990, p. 708)

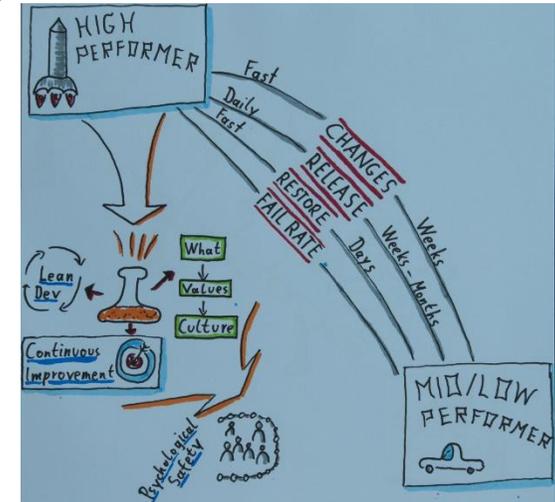

A hand-drawn illustration on a light blue background. The word 'YES' is written in large, blocky, outlined letters. The 'Y' has a green shadow, the 'E' has a blue shadow, and the 'S' has a purple shadow. To the right of 'YES' is a blue comma. Below this, the word 'AND' is written in similar blocky, outlined letters. The 'A' has a red shadow, the 'N' has a green shadow, and the 'D' has a purple shadow. To the right of 'AND' are three small blue squares arranged horizontally, representing an ellipsis.
